July 6, 2022

Dear Colleagues and Community Members,

Earlier this week the Pioneer Fire Protection District was informed by Debbie Matthews, wife of former Chief Mark Matthews, that he was being placed into hospice.

This afternoon we were informed that Chief Matthews has passed away. News of his death is very disheartening and took us by surprise.

Chief Matthews was a passionate individual with strong beliefs and did his best during his time at Pioneer.

Service time and location is currently not available. I will keep you informed should we become aware of any additional information.

Thank you for your thoughts and prayers for his family.

Sincerely,

Chief Whitt
Pioneer Fire Protection District
